

REMARKS

Applicant thanks the Examiner for allowing claims 1-14 and 27-34.

Claim Amendments

Editorial revisions have been made to claim 29 to correct an antecedent basis matter. The amendment does not change the scope of claim 29 and no new matter has been added. Applicant respectfully requests the amendment be entered.

Amendments to the Specification

Applicant notes a typographical error was made in the Response submitted August 20, 2004 when amending the paragraph beginning on page 21, line 8 of the application. The amendment to the specification corrects this typographical error by pluralizing the verb. No new matter has been added with this amendment. Applicant respectfully requests the amendment be entered.

Conclusion

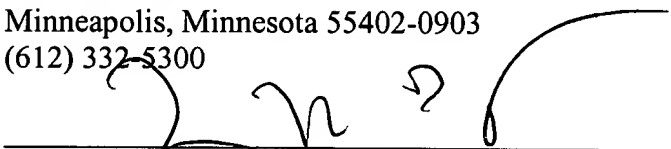

Applicant respectfully requests the above amendments be entered and a supplemental Notice of Allowance be issued. No additional search or examination is necessitated by the amendments. No substantial amount of work is required on the part of the Patent Office or the Examiner. The Examiner is invited to contact Applicant's attorneys at the below listed telephone number, if there are any questions regarding this communication.

Respectfully submitted,
